10. YOUR SUGGESTIONS FOR TOPICS, PROGRAMS OR ISSUES TO ADDRESS NEXT YEAR

- *Guess I should have be looking for this sort of thing available – really love the community aspect of the library – maybe we need a focus (?) to be developed on racism and community and police relations*
- *Do you repeat some of the previous topics? Or are copies of powerpoints available on the Rsol A/D website?*
- *Repeat the series for a new audience of people whose situation has changed and now need another session*
- *A session of care for the caregiver (I am aware of act...(?) and may have missed such a session.*

- *Teach the presenter to use PowerPoint effectively - to enlarge screen text or project effectively - Thank you*
- *Save questions for second part of presentation*
